istion YACHTING

MEET **ISTION**

HISTORY & **VISION**

Istion Yachting was founded in 1992 by **Ioannis Kourounis**.

The company started with a small fleet of sailing yachts based in Kos Island in the Dodecanese and grew rapidly to a market leader for chartering all over Greece.

With its strong background Istion Yachting enjoys a remarkable reputation through an international network of trusted charter brokers and of course its sailing clients and friends.

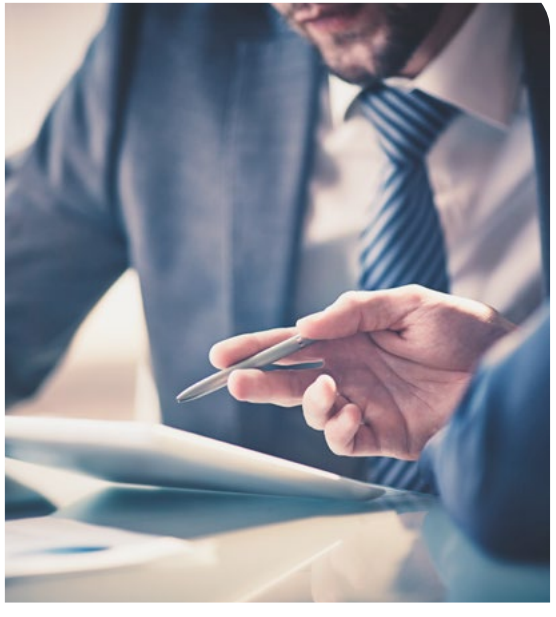

ISTION **TODAY**

- A well-founded fleet operator with more than 30 years in operation
- **300+** Yachts fully crewed & Bareboat.
- **11** Yacht Charter Bases in Greece and **ONE** in Croatia
- More than **35.000** charters
- More than **130.000** happy guests

VALUES & **GOALS**

- Reinventing yachting as a vacation choice
- Delivering safe & successful charters
- Offering an unforgettable experience to our guests
- Establishing reliable & long-term collaborations

istion YACHTING

WHY **ISTION**

- Represent and present the yacht in the most efficient way.
- Recommend yacht to our VIP/HNWI clientele and loyal repeaters.
- Allocate to each yacht a **dedicated Charter Manager** to ensure efficient bookings progress, smooth and efficient charter operation, and exclusive communication with Owners.
- Provide a **Supportive Team** of 5 in-house brokers shared with mutual passion for yachting, reflecting in its guest's and sailing friend's happy smiles & loyalty.
- Our team of experts have the **know-how** and the **experience** to ensure that the yacht reaches its full charter potential.
- Provide extensive training to Crew, ensuring **top tier services on board** for all charters.
- Provide a **marketing support team** to cover all yacht events and social media.
- Responsiveness & **immediate solutions** / recommendations.
- **Fairness** to client.
- **Financial stability**.
- **Prompt reaction** to any issue in the yachting market.
- Participation in **yacht show**s that adds value to our cooperation with brokers worldwide as well as increasing potential booking charters.
- Ensure success with our **2026 charter record**s: 350+ crewed charters.
- **MYBA** member and **GYA** board member.

WHY **CHARTER**

- Charters elevate and add value to the yacht's prestige for any future business investments (re-sale value)
- Generate additional income
- The yacht remains in top-notch condition
- Dedicated weeks for Owners can be confirmed and the rest weeks can be offered with care and extra attention to our high-end clientele.
- Charters are as well a strong motivation to the crew

istion YACHTING

ROLE OF CA

- **CA acts as the Owner's exclusive agent** and representative with regards to the charter marketing of the Yacht.
- CA enters into **charter agreements** on behalf of the Owner.
- CA provides the Owner with **expertise advice** on the charter market and advisory consulting services on matters including but not limited to the Yacht's proper condition, crew and crew training, Yacht amenities, auxiliary equipment and pricing.
- Is the entity that **holds the funds** until the charter commences.
- Is the **intermediate between** the owning company, the yacht, the broker and the client regarding all charter related issues.
- Handles and ensures smooth and efficient **charter operation** as well as **booking progress**.
- Provides **on-line listing** and **inquiry system** on Yachtfolio and other online databases & booking platforms .
- Ensuring the **correct presentation of the yach**t in chartering market.
- **Coordinates information** and communication.
- **Reacts proactively**.
- Provides **extensive knowledge** of regulation and terms.
- Provides **marketing statistics** regarding yacht inquiries and offering .
- Offers Owners a dedicated, confidential & world class luxury chartering services.

istion YACHTING

istion YACHTING

BOOKING **PROCESS**

- Calendar availability & offering
- MYBA Contract & Special conditions
- Payments
- Preference list
- Special arrangements
- Transfers
- Greek Charter Party

- Inspection of the yacht before commencing of charter ensuring everything is up to standards
- Monitor charter being in contact with Captain and Client/Broker
- Guests feedback
- Charter record documents
- Payments to Owners

istion YACHTING

OWNERS' **EXPECTATIONS**

- The Owner shall at all times maintain the Yacht to a high standard, including interior and exterior and all safety equipment all year round.

- The Owner shall ensure that all vessel documentation and certification of the Yacht provided to the Central Agent is valid by the time this Agreement comes into force and for the entire duration of this Agreement and shall be renewed as necessary throughout the duration of this Agreement by the Owner.

- The Owner shall ensure that the yacht is adequately prepared for chartering - that includes cleaning, equipment procurement, as well as accommodation, uniforms & meals for the crew members.

- The Owner gives appropriate notice, in timely manner, to the Company of its intended private use of the yacht, specifying the requested time period, port of embarkation and disembarkation.

- Owner shall forward all important information to CA regarding crew & yacht.

- Owner to provide high resolution photos & videos.

- Owner to have devoted crew members on board.

MANAGEMENT ROLE

Running a yacht, akin to managing any successful business, hinges on the art of adept management.
Behind the scenes, every aspect must operate with precision: safety, operational support, financial matters, crew coordination, maintenance, technical complexities, and even environmental considerations.
With a wealth of experience in the yachting industry, our yacht management delivers an exceptionally specialized service to oversee and address these vital elements, and provide support to owners, captains, and crew.
Rather than a one-size-fits-all approach, we offer a bespoke service tailored to not only meet but exceed each individual owner's specific requirements, providing a sense of complete peace of mind in Yacht Ownership.

TECHNICAL

- Ensure technical performance, according to maker specifications
- Plan & Implement maintenance works, repairs & upgrades
- Plan & implement drydocking works
- Negotiate & arrange supply spares & services
- Itemised expenditure with technical justification & regular reporting

OPERATIONS

- Liaise with administrations, authorities, marinas etc.
- Liaise & cooperate with charter department as per yacht's charter plan & owners' use
- Control crew matters
- Control yacht's documentation & certification

PURCHASING

- Identify vendors, market research prior to purchase (procurement)
- Supply & purchase of goods, materials, spares, provisions
- Make sure as much as possible expenditure is kept within agreed values
- Invoicing & expenditure categorization

CREWING

- Identify and propose appropriate candidates
- Interviewing candidates
- Follow up recruitment procedures with competent authorities

ACCOUNTING

- Maintenance of records
- Control of and prompt settlement of all accounts, payment of salaries, etc.
- Compile / issue financial statements and reports to Owners
- Monitor financial position of yacht, ensure provision of adequate funds to meet planned expenditures

QUALITY CONTROL

- Use of a specialized Yacht Management software with data input by yacht manager, captain, hotel, engine & accounting on tasks, finance management, yacht administration, charter & trip manegement and viewing credentials of all processes for owners.
- Crew performance appraisal & auditing
