KYRA PANAGIA ISLAND

The island of Kyra Panagia is largest deserted island north of Alonissos. The island is mostly covered in low shrubs and vegetation, but there are also some olive trees. Excavations of ruins in the bay of Agios Petros opposite the islet of Melissa, have shown that it has been inhabited since the Neolithic times, in about 6,000 B.C

SKYROS ISLAND

One of those peaceful low profile Greek islands that long to be discovered. It is the largest, southernmost and least crowded of the Sporades complex. Surrounded by small satellite islets, Skyros seems "torn" between its Cycladic, rocky & wild southern part and its northern one, full of pine forests and beautiful bays with beaches for all tastes.

SKOPELOS ISLAND

Eye-catching landscapes, azure waters on golden coasts, rugged natural monuments and a pure island atmosphere are all essential elements of the image of this, the greenest island in Greece, more than half of whose territory is covered with virgin pine forest. The island enjoyed international acclaim when Hollywood producers chose it to shoot the famous movie "Mamma Mia", establishing the island as a holiday destination for tourists from all over the world.
